TOWN REPORT DEDICATION:

Walter G. "Chip" Stetson

This report is dedicated, in part, to the memory of one of Winchester's finest - Walter G. "Chip" Stetson.

Chip's lifelong commitment to the Town of Winchester and its citizens make this a fitting dedication. Chip went through our local school system and graduated from Thayer High School. The only time he left Winchester was after graduation when he chose to serve his country in the armed forces. Upon returning he began his twenty plus years of service as a faithful employee for the town.

The highway department became Chip's mainstay. He put in endless hours of plowing and making roads safe for the public, but his dedication did not stop there. He would gratefully fill in where needed, whether it be the water department, landfill, cemetery or anywhere: Chip was there. The hours he put in without remuneration will never be known; but you could find him any given night or weekend washing or greasing his truck, checking roads for safety, checking for beaver problems, or maybe just helping a friend or neighbor who had a project or a problem.

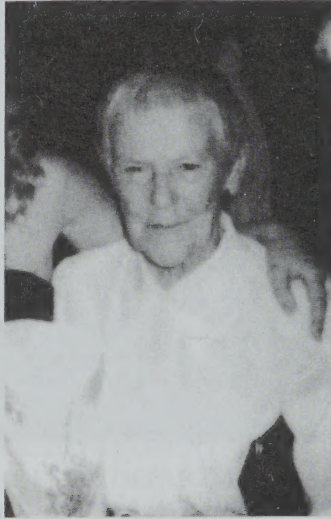

The town has a policy on vacation time, "Use it or lose it." Chip chose to donate the time he earned back to the Town of Winchester.

There are times when a faithful employee is overlooked in the day to day operation of a town. We thank you Chip for making Winchester a better community and also wish to partly dedicate our 1997 Annual Report to the memory of Chip Stetson.

TOWN REPORT DEDICATION:

Mary McNamara

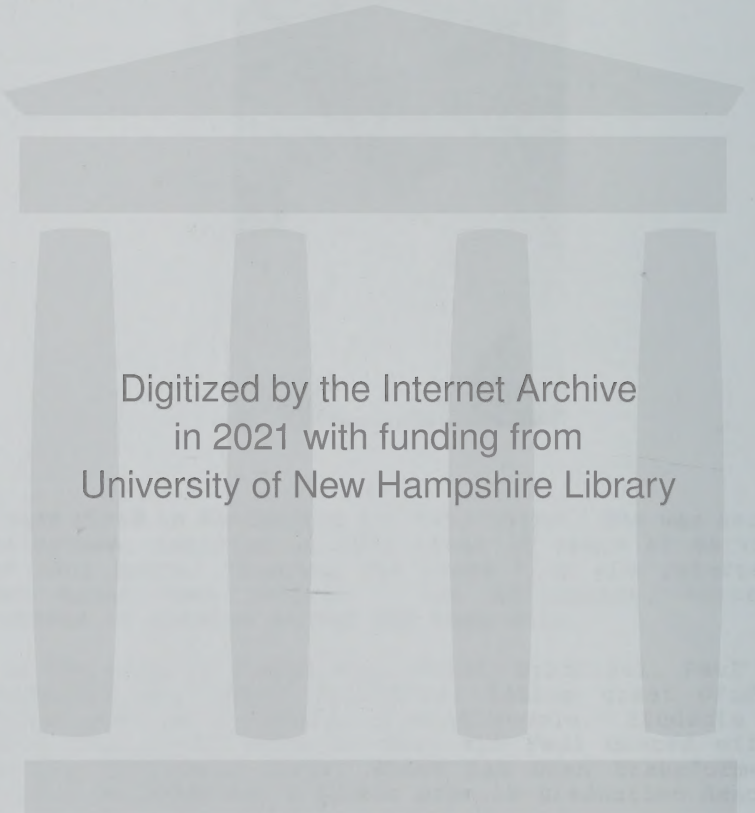

This town report is dedicated, in part, to the memory of one of Winchester's finest - Mary McNamara.

Mary lived in Winchester for many years. She was secretary to the selectmen, retiring in 1973 after 24 years of service. She worked long hours, "keeping the books," as she referred to the leather bound town records. Her efficiency, accuracy, and seriousness of purpose served the town well.

As the wife of Thayer High School principal, Paul McNamara, she attended all school functions, taking great pride in the accomplishments of Winchester's young people. Students marvelled for more than forty years as Mary and Paul danced effortlessly across the Town Hall floor, which had been transformed into a glittering ballroom for a junior prom or graduation dance.

Her friendship and caring was extended to hundreds of seniors as they traveled together to New York and Washington or senior class trips. She attended high school ball games regularly, most recently cheering on the children and grandchildren of the students her husband coached years before. Mary thoroughly enjoyed the company of children, listening to them, laughing with them and encouraging them.

SELECTMEN'S MESSAGE

WE ARE A DIVERSE COMMUNITY. WE HAVE A GREAT DEAL TO OFFER OUR TOWNSPEOPLE AND OUR VISITORS. THESE DAYS THE PRICE IS HIGH. TAXES AND VOLUNTEERISM SEEM TO STRETCH US TO OUR LIMITS. THESE STRANGE BEDFELLOWS SEEM TO HELP BIND US TOGETHER AS A COMMUNITY. WE WORK TOGETHER TO HELP IN THE MANY ASPECTS OF COMMUNITY LIFE WHETHER IT BE AS A SCOUT LEADER, A SCHOOL BOARD MEMBER, A FIREFIGHTER, A TOWN EMPLOYEE OR BUDGET COMMITTEE MEMBER - WE ALL SEEM TO TAKE OUR PLACES OF SERVICE WITHIN OUR COMMUNITY. WE MUST REMIND OURSELVES OF THE POSITIVE OUTCOMES OF SUCH CIVIL SERVICE.

THIS YEAR WITH THE TOWN BUDGET, THIS BOARD HAS BEEN EXTREMELY CAUTIOUS, FOR MANY REASONS. FIRST THE OBVIOUS - TO HOLD TAXES DOWN. SECOND, BECAUSE THE BOARD IS ANXIOUS TO SEE WHAT TYPE OF INFORMED PARTICIPATION WE BEGIN TO HAVE FROM THE VOTERS WITH OUR NEW "AUSTRALIAN BALLOT". WE HAVE HOWEVER, TRIED TO MAKE SMALL IMPORTANT STRIDES TOWARDS SUSTAINING THE INFRASTRUCTURE OF THE COMMUNITY. WE HAVE INCREASED OUR STREET LIGHTING BUDGET. WE HAVE DONE THIS BECAUSE WE HOPE TO GET YOUR AFFIRMATIVE VOTE TOWARDS FUNDING THE REPLACEMENT OF THE OLD LIGHTS WITH ENERGY EFFICIENT HIGH PRESSURE SODIUM LIGHTS. THIS COMPLETED, SAVINGS WILL BE ALMOST ONE-HALF OF THE ANNUAL STREET LIGHT BUDGET. THIS WE SEE AS AN INVESTMENT IN OUR FUTURE.

ANOTHER MAJOR PROJECT THAT WE SHALL BEGIN THIS YEAR WILL BE THE RESTORATION OF THE ASHUELOT COVERED BRIDGE. WE WILL DO THIS WITH THE ASSISTANCE OF 80/20 FUNDING THROUGH THE DEPARTMENT OF TRANSPORTATION. WE SEE EVIDENCE OF A GREAT DEAL OF STRUCTURAL DAMAGE ON THE BRIDGE AT THIS TIME AND ASK THAT YOU PLEASE BE DILIGENT IN MAKING SURE THAT ANY VEHICLES OVER THREE TONS DO NOT CROSS THE BRIDGE. WE DO THIS IN AN EFFORT TO KEEP THE BRIDGE OPEN AS LONG AS WE CAN BEFORE WE UNDERTAKE THIS PROJECT. IT IS IMPORTANT TO HAVE YOUR SUPPORT TO SEE THIS PROJECT THROUGH. THIS COMMUNITY IS FORTUNATE TO HAVE TWO BEAUTIFUL COVERED BRIDGES. IT IS A PIECE OF OUR TOWN'S HISTORY THAT LIVES WITH US. IT IS OUR INTENTION TO ASK FOR YOUR INVOLVEMENT IN THIS PROCESS OF DECISION MAKING.

THE YEAR COMING MUST PROVIDE FOR US SOME METHOD OF LOOKING AT WAYS TO BEGIN TO SYSTEMATICALLY CONTROL TAX GROWTH. WE DO NOT LOOK TO CUTTING WAGES AND SERVICES. WE MUST LOOK FOR ALTERNATIVE METHODS OF FUNDING. WE MUST LOOK TO OUR ECONOMIC DEVELOPMENT COMMITTEE FOR ASSISTANCE IN SITING BUSINESSES IN WINCHESTER. WE WILL WORK TO PROVIDE INCENTIVES FOR THESE BUSINESSES - EVEN IF IT IS SIMPLY ATTENTION TO DETAILS THAT WILL MAKE THEIR PROCESS OF LOCATING IN WINCHESTER EASY. WE LOOK TO THE NEW BROWNSFIELD FUNDING FOR THE TANNERY SITE CLEANUP. WE BELIEVE THERE STILL CAN BE A FUTURE FOR THE TANNERY SITE ON THE TAX ROLL.

NONE OF THE ABOVE ISSUES WE FACE IN THIS NEXT YEAR WILL BE EASY. DECISIONS WILL BE MADE KEEPING IN MIND WE CANNOT BURDEN THE HOMEOWNER TO ANY GREATER EXTENT. WE MUST GO BACK TO THE ISSUE AT HAND - WE ARE A COMMUNITY - AND WE MUST WORK TOGETHER

WITH INCREASED PARTICIPATION TO HANDLE ALL ISSUES DILIGENTLY,
THOUGHTFULLY, AND WITH THE BEST HOPES AND ASPIRATIONS FOR OUR
TOWN OF WINCHESTER.

SINCERELY,

ERICA SANDS RYLL, CHAIRMAN
THOMAS A. MACQUARRIE, SR.
LEROY E. AUSTIN

SELECTMEN'S REPORT - 1995

The Board of Selectmen wish to thank all the taxpayers and town officers for their cooperation during the past year. Selectmen meet every Wednesday at 7:00 p.m. and 4:30 p.m. in the summer months. Other times may be arranged by calling 239-4951 if these hours are not convenient. The Selectmen's Office is open Monday through Friday from 8:00 a.m. to 5:00 p.m.

We again call your attention to the numerous forms available in the Selectmen's Office to be used by the taxpayers for property taxation. The only form that is mailed out is the Inventory of Taxable Property. All other forms must be obtained at the Selectmen's Office. The law states that an Inventory Form must be filled in, signed, and returned to the Selectmen's Office on or before April 15th. If an Inventory Form is not filed, there is no legal basis for the Board of Land and Tax Appeals or the Court to consider an application for abatement. Also, a late return of the Inventory Form will be assessed a penalty.

VETERAN'S EXEMPTION

Permanent applications are available in the Selectmen's Office. We call your attention that if a person eligible for an exemption changes his domicile, or a veteran's wife becomes a widow during the year, a new permanent application must be filed with the assessing officials.

EXEMPTIONS FOR CERTAIN ELDERLY PEOPLE (C.E.P.)

These forms are for persons who qualify for reduction in their tax bills. These forms must be completed and in the Selectmen's Office on or before April 15th. If there is no completed form on file, we cannot grant the Elderly Exemption. The three categories of exemption are from ages 65 to 75, 75 to 79, and age 80 and over. It is your responsibility to complete a new exemption form if you change categories.

INTENT TO CUT TIMBER

Every owner, including state, county or municipality or public agency, shall prior to each cutting operation, file with the Selectmen, a Notice of Intent to Cut.

ASSESSMENT OF OPEN SPACE

No owner of land shall be entitled to have a particular parcel of his land classified for any tax year under the provision of this chapter unless he shall

have applied to the assessing officials on the form approved by the Board and provided by the Tax Commission.

PERMITS

Any person, firm, corporation, municipality, public agency, or institution desiring to operate, maintain, offer for rent, lease or tenancy any site, lot, field, tract of ground for location of any building trailer or manufactured housing, or other similar conveyance, place or abode for shelter, or any other form of development, (as defined in the Town of Winchester Zoning Ordinance), shall obtain a written operating (building) permit from the Board of Selectmen. A fee to be set annually by the Board of Selectmen and payable to the Town of Winchester is required with the issuance of each permit. When permits are not used within one (1) year from the date of issuance, application for renewal of permit must be made, and, if granted, will not entail the payment of a new fee. Where applicable, it would be necessary to have received and to show proof of having received, an "Approval of Construction", granted by the New Hampshire Department of Environmental Services, Water Supply and Pollution Control Division for the construction of any septic tank system (or, where applicable, a Certificate of Availability from the Winchester Board of Sewer Commissioners) before a building permit or permit to park a trailer or manufactured housing shall be issued.

MANUFACTURED HOUSING

Whenever a person moves manufactured housing into a city or town for the purpose of establishing a residence in said city or town, or whenever a person purchases existing manufactured housing with the intent of residing in the same at the existing location, he shall within fifteen (15) days of the placement of the manufactured housing or within fifteen (15) days of the purchase of same register with the assessors of the city or the selectmen of the town where he intends to reside. Whoever fails to comply with the provisions of this section shall be guilty of a violation. (RSA 72:7-B)

Further, it shall be unlawful for any person to move manufactured housing into, out of, or within the Town of Winchester without first obtaining a permit from the Building Inspector. The hauler of such manufactured housing shall have the permit in his possession at the time of the move. The granting of such permit shall entail a fee which shall be set by the Board of Selectmen not to exceed \$100.00. This does not apply to manufactured housing which pass through the Town in transit both from and to another town.

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Winchester, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Winchester, New Hampshire, as of and for the year ended June 30, 1996, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town of Winchester, New Hampshire's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards; *Government Auditing Standards*, issued by the Comptroller General of the United States; and the provisions of Office of Management and Budget (OMB) Circular A-128, "Audits of State and Local Governments." Those standards and OMB Circular A-128 require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in Note 1, the general purpose financial statements referred to above do not include the financial statements of the General Fixed Asset Account Group, which should be included in order to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

As described in Note 1, the Town has recognized tax revenues of \$303,779 in its General Fund which were not received in cash within sixty days of year end as required by generally accepted accounting principles (GASB Interpretation 3). Town officials believe, and we concur, that the application of this accounting principle, which would result in a decrease of the undesignated General Fund balance from \$582,983 to \$279,204, would give a misleading impression of the Town's ability to meet its current and future obligations.

In our opinion, except for the effects on the general purpose financial statements of the omissions described in the third paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Winchester, New Hampshire as of June 30, 1996 and the results of its operations and cash flows of its non-expendable trust funds for the year then ended, in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Winchester, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated August 30, 1996 on our consideration of the Town of Winchester, New Hampshire's internal control structure and a report dated August 30, 1996 on its compliance with laws and regulations.

Town of Winchester
Police Department
Annual Report - 1996

This past year your Police Department handled more calls for service than ever before. Our Community Policing Program has resulted in our Officers spending more time on the streets, more time in our schools, and has increased visibility and contact with our citizens.

Our patrol officers are on the road as much as possible checking homes, commercial properties, and our public buildings. This has resulted in less vandalism and held our burglaries and serious thefts to a low number. Aggressive investigation on the part of our officers has resulted in successful prosecution of many individuals for committing crimes against Winchester residents.

Our accident rate has not increased significantly due to our traffic patrols. We covered forty-three accidents on town roads and seventy accidents on our state highways last year. Our motor vehicle summons increased last year due to the increased patrol time and an up-to-date radar unit purchased with funds donated by a concerned citizen.

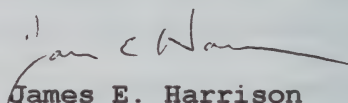

The abuse of alcohol and drugs is still a major concern of our department. Our Canine Unit was on patrol much of 1996 during the evening hours giving us one more tool to fight drugs within our community. The use of alcohol by our teens is still a serious problem in our town. Parents need to do more to assist us in stopping substance abuse by our teens.

The ELMM Community Center has increased activities and provided a positive alternative to our students hanging out on the streets at night and throughout the summer months. The boards at the center should be supported in their efforts to improve programs for our youth.

Our schools have been checked by our drug dogs both during school hours and at night to keep our schools drug free. Our principals work close with this department to keep our schools safe for students and teachers. Our Juvenile Officers work at the school with the administration to insure every student shows up for school and those that wish to disrupt our schools are dealt with quickly. Cases involving firearms, criminal mischief, arson, assaults, and thefts were investigated by our Officers working with the school principals to insure those responsible were apprehended quickly and prosecuted. These type cases are not new to New Hampshire schools, however, in our town the word is out that the Police Department, School Principals, and School Board will not tolerate criminal behavior.

Domestic Violence is still the most dangerous of all the calls our Officers respond to. Current laws and our department policy which require an arrest in all cases of abusive behavior has had a positive effect but there were still approximately seventy-five Restraining Orders served in our town last year as a result of many different types of abuse. This is an area requiring much more attention in 1997.

Again last year as in the past the citizens of Winchester have supported this department by reporting suspicious activity when they see it. I thank you for this and ask that if you do not know the individuals working for you on the Police Department, stop in and meet them.

James E. Harrison
Chief of Police

TOWN OF WINCHESTER
EMERGENCY MANAGEMENT
ANNUAL REPORT
1996

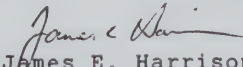

This past year our Emergency Services and other departments were again faced with many emergencies including the snow storm which resulted in power failures across the entire town and the loss of our water supply which lasted several days. Again all of our emergency workers handled the extremely difficult situation in a professional manner as they have in the past. Using their training and emergency planning life and property were protected during this dangerous time.

Throughout the year we have been working on our emergency plans for our local businesses and major facilities within Winchester. In the near future our initial plans will be complete, putting us near the top in the state in emergency planning. We will continue to update and add to these plans to remain as prepared as possible for any emergency condition that may arise.

Our Radiological Emergency Response Plan for the Vermont Yankee Power Plant was also worked on during the year and will be tested again during March of 1997. The Power Plant and the NH Office of Emergency Management have provided the funding necessary for our personnel writing our plans. They have also provided the funds to purchase needed equipment to carry out some of the procedures in these plans to protect life and property.

The Enhanced 911 System put into service last year has been successful with few problems which can be attributed to the complete review we did of all streets and residences within our town. If you pick up the phone and dial 911 you will receive police, fire and/or ambulance assistance in the quickest possible response time.

With our emergency planning comes training which is now the priority for all departments. We will be conducting training sessions with our local businesses management and employees to insure we all work as a team when disaster strikes. We should all be proud of the achievements in this department over the past years and again I wish to thank all of our emergency workers and the citizens of Winchester for their support over the years.

James E. Harrison
Emergency Management
Director

Winchester Ambulance Department.
Year- July 1 1995 to June 30, 1996.

Chief: Richard LaPoint. Sr.
Asst. Chief: Bruce A Lake.
Lieutenant Moncia Blodgett.

This has been another busy year for the Winchester Ambulance, with 368 calls.

Jackie Harrison who was one of our founding members retired this year. Jackie has served for over twenty five years with a lot of devotion and hard work. She will be greatly missed and always remembered for her dedication to the Department and to the town of Winchester.

I would like to congratulate Monica Blodgett, Diane Dingman, Jessica Landry and Christopher Platz for their time and work that they put in to obtain their Emergency Medical technician (EMT) certificates. This involves 110 hours of training and passing both a written and practical exam. Congratulations are also in order for Ray Montgomery, Carolyn Warren, and Tina Vigneau for their time to recertify their EMT Certifications. This brings the Squad up to 7 EMTs.

The Kiwanis Club sponsored a two day training course on pediatric trauma which was an excellent course and attended by most of the members of our Squad, along with several other local Ambulance departments. This was an excellent course as most training courses do not address pediatrics.

We are still plagued by daytime coverage since most of us work out of town. One of our goals this year is to increase our membership. A recruiting and membership committee has been formed and we are actively seeking new members. Anyone who like more information may contact any member. We are scheduling training courses to train anyone that may be interested.

I would like to thank all the Residents of Winchester for their support. Without you the department would not exist. Special thanks to all the members for a job well done and their dedication to the Department.

Winchester Highway Department
Annual Report
July 1995 - June 1996

This past year the winter season came early and lasted a long time. In the end we had a total of thirty-one snow storms which amounted to 137 inches of snow, plus six ice storms. This required a lot of sand and salt, but more important the loss of sleep by the crew took its toll. However, they weathered exceptionally well. One of the problems we encounter while cleaning up after a storm are vehicles parked on town and state roads. This could be resolved through cooperation from residents and enforcing the town ordinance.

One of the major projects for the summer months was to prepare and chip seal Bolton Rd., Scofield Mt. Rd. and a portion of Old Westport Rd. Other always continuous projects include ditching of roads, mowing, clearing brush on all town roads, replacing culverts and replenishing supplies of sand and crushed gravel.

Two ongoing costs still exist. One is replacing stolen and damaged street signs and the cost for man hours required to rectify the situation. The other is problems created by beaver in all areas of town. Trouble spots will have to be checked and cleaned, which sometimes require two men and two pieces of equipment.

As usual, the highway department will fill in where ever needed in town, whether it be assisting the water dept., opening the town beach for summer months and assisting in special projects at the community center or town hall. Other areas that consume a lot of time are the former A.C. Lawrence Leather Co., and especially the landfill as we gear toward closure.

Thanks again for your continued support of the highway department.

WINCHESTER SOLID WASTE MANAGEMENT DISTRICT REPORT

JULY 1995 - JUNE 1996

The end is coming near for the way most residents are used to disposing of their household waste. All landfilling activities were to have ceased by July 1, 1996, but due to remaining air space left on the final lift of the landfill, the district was granted a five month extension.

Last year the Solid Waste District reviewed options for the proper disposal of our waste once the landfill would close. After receiving several proposals, and upon careful consideration, the district decided to sign a contract with Cheshire Sanitation Inc. The five year contract is for \$115,000 per year, which includes them using their own employees.

Users of the new transfer station will see additional fees for such items as appliances, furniture, metals, demolition debris, roofing shingle, etc. The selectboards of both Winchester and Richmond, the two members of the district, agreed unanimously that this was the most cost effective solution for the taxpayer's of both communities.

Hoyle, Tanner and Associates has completed the final closure plan, which is to be submitted to the State Dept. of Environmental Services. Approval is expected very soon. HTA have also assisted with the design of the transfer station and administration of the lengthy permitting requirements for this new facility.

The surface and ground water testing has remained very good throughout the year. Once closure of the landfill is complete there will be additional water testing required, as well as gas monitoring at approximately eight different locations. The post closure plan will also include: inspection of cap integrity, cleaning and inspecting drainage swales, site security, settlement monitoring and moving. All of these and more will be done over a 30 year period.

With cooperation from most residents, our makeshift recycling area prevented over 600,000 pounds of recycling materials from being landfilled. This figure does not include metals, appliances, tires, compost, brush or glass. The price received for recyclables fell very sharply throughout the year. However, we still managed to break our record of revenues derived at the landfill. I am proud to say that \$35,240.85 was turned in to the town's General Fund.

HEALTH OFFICER
1995-1996 ANNUAL REPORT

Education is one of the world's major concerns today, particularly in America. To become better educated, a healthier and cleaner environment must first be created. A healthy body means a healthy mind. Social conditions are improving and are constantly being monitored by numerous agencies. Educating children, and parents alike, on the importance of a healthy diet and healthy lifestyle is just one way agencies are trying to improve social conditions.

The worst scourge on youth today is illegal drug abuse. The increase is staggering and frightening. More action should be taken, by the community, to fight against this problem. Citizens can not depend upon the police and drug enforcement agencies to handle the entire situation. Drug abuse is a social problem that often times results in criminal arrests. Let's protect the minds of growing children and begin to work together, as a community, to fight this most important dilemma.

The last emergency we had was the result of the heavy snow and subsequent power outage in December. Emergency Management handled the situation very efficiently and effectively. Steps are being taken to ensure that the shortage of water that occurred during the outage will not happen again if the same circumstances ever arrive.

Let's all look forward to a healthier and knowledgeable New Year.

WELFARE DEPARTMENT

1995-1996 ANNUAL REPORT

Requests for welfare assistance continue to increase. Many people are still just not making enough to meet their needs. Recipients are very carefully screened and required to do such things as apply for food stamps, fuel assistance and search for employment. The Town is required by state law to help these people.

Over \$13,000 was credited back to the Welfare Fund either from liens released on properties or reimbursements from assisted people. The welfare application requires all applicants to sign the following statement:

"I understand I will repay the Town of Winchester for any assistance I am given or participate in a work program, if I am able."

For some applicants the assistance is very much appreciated, and they try to make small monthly payments to repay the town. It all helps!!!!

THE WINCHESTER CEMETERIES REPORT
1995 - 1996 ANNUAL REPORT

We accomplished much this year. Burial lots in the Evergreen Cemetery for the new section 'KA' were surveyed and laid out as time would permit. Surveying for lots on Section 'S' were completed.

A large pine tree in Section 'U' was taken down after it was damaged by lightening. Stones had to be moved for this project. They were replaced into their original foundations after all the debris was removed.

The area by the cemetery garage was loamed, fertilized, limed, rolled and seeded.

It was a busy year with a lot of rain and we had to mow and trim more than usual.

Much thanks to Charles Gregory for his good work.

E.L.M. MEMORIAL COMMUNITY CENTER
1995-1996

It is with great pleasure that the E.L.M. Memorial Community Center submits its annual report.

The PeeWee and Little League were successful this year, with 60 youths participating in the Little League program. PeeWee enrollment grew in such capacity this year that a ninth team was added, totaling 120 youths. Thanks go to Rex Worcestor from the Kiwanis Club, which co-sponsors the PeeWee program, and all the volunteers from the community that made these programs a success.

The Summer Day Camp program had a total enrollment of 78 children this summer. Camp offered certified Red Cross instructed swim lessons. Theme weeks included, Native American week, Space week, Nature week, Color week, Olympic week, and Tye Dye week. Camp offered a new program this year which combined arts and crafts with music from Purley Gates, who was at camp once a week with her musical talents. The campers really enjoyed this program and we look forward to having Purley back this coming year.

Additionally, during the summer, the Center offers two tennis courts, a basketball court, volleyball, and the multi purpose area for skate boarding, roller blading and roller skating.

The Center continues to provide two youth dances per month for grades six to eight and grades nine to twelve. The Center purchased materials this year to build an in house sound system for dances. Although we do charge a nominal fee, no youth is turned away for lack of funds.

Thanks also goes out to the Winchester Fire Department for aiding in the flooding of the ice rink. With Mother Nature and the Fire Department's efforts, the ice rink has the best ice skating conditions in several years, which have allowed many family skating parties. The Center also offers in-door basketball, ping pong, floor hockey, and bowling, during school vacation weeks.

The Center had PSNH install new outdoor lighting for the parking area, basketball court, and ice rink. With the new lighting, youths are able to play basketball at night, along with ice skating and tennis. The Center continues to provide the youth of our town with a place to meet 7 days a week. The Center purchased an indoor basketball hoop to be used in the winter months, at least one night each week. There is free teen bowling on Monday nights. We show movies twice a week in the Recreation Center, along with other activities.

The Center continues to provide programs during school vacations. A calendar of events is sent home through both schools prior to vacation. The Center runs two programs during vacations. We run a day time schedule for grades K-6 and an evening program for grades 7-12.

The E.L.M. Memorial Community Center is always looking for new ideas and volunteers. If you have any ideas you would like to share, or assist the Center in any way, please feel free to contact the Center at 239-4316.

HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF WINCHESTER
JANUARY 1, 1996 TO DECEMBER 31, 1996

ANNUAL REPORT

In 1996, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Winchester. The following information represents a projection of HCS's activities in your community in 1996. The projection is based on actual services provided from January through September 1996 and an estimate of usage during October, November and December.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>
Nursing	1,645 Visits
Child Health Nursing	8 Visits
Physical Therapy	321 Visits
Speech Pathology	44 Visits
Occupational Therapy	29 Visits
Homemaker	1,274 Hours
Home Health Aide	2,123 Visits
Medical Social Work	37 Visits
Outreach	12 Visits
Nutritionist	3 Visits
Adult In-Home Care Service	8,564 Hours
Home & Community Based Care	2,233 Hours
Health Promotion Clinics	71 Clinics
Meals-On-Wheels	5,878 Meals

*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

Total Unduplicated Residents Served: 182

In addition to the above listed activities, regularly scheduled nursing office hours, prenatal, child health and hospice care services were made available to residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1996 with all funding sources is projected to be \$457,820.07.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 1997, we recommend an appropriation of \$31,000.00 to continue home care services at the current level. We also recommend an appropriation of \$3,240.00 for the Meals-On-Wheels program.

Thank you for your consideration.

Shortly after we closed the books for Fiscal 1996, the town of Winchester lost a much-loved citizen when Mr. Joseph Norton passed away, and the Board of Trustees and staff of the library feel that loss deeply. For over twenty years, Mr. Norton served on the Library Board of Trustees, and donated many hours of labor to the betterment of the library and the community. His common sense, concern for the welfare of the library, insightful comments and advice, and sense of humor are sadly missed by us all.

Internet access, public e-mail, a world wide web home page for the town of Winchester! All these things were introduced at the library during Fiscal 1996, but despite the bustle and excitement of installing and configuring new information systems, old programs and events were not neglected or unappreciated. The annual summer concerts on the Henry Pratt organs and other antique instruments were well-attended, the kids loved the summer reading program "Reading--the Best Game in Town" and adult evening programs on a variety of subjects were well-attended.

The library received a bequest from the estate of Mrs. Grace Ingham, a former teacher in the town of Winchester. Knowing of Mrs. Ingham's love of children, the library trustees have decided to use the money to renovate the children's room of the library. Plans for this renovation are being made, and work should begin in January or February of 1997.

Our free public email and Internet access has been steadily growing in popularity, and a series of seminars on Cruising the Internet was well-received. Barcoding of books and data entry of information in the computer systems is an ongoing project, and the library software to finish creating the online catalog will be installed during Fiscal 1997. Although the old card catalogue will still be available for use, the new online catalog will be more efficient and accurate than the old one, and many routines which must now be done by hand can be automated.

Volunteers continue to play a vital role in the library. Volunteers have helped run the annual book sale, baked goods for fundraisers and contributed refreshments for numerous programs and events. This year, volunteers added a new dimension of service by helping barcode and catalog materials for our growing online database. The Board of Trustees appreciates their efforts, and would like to thank all volunteers for their continued help and support.

Once again, the Board of Trustees and staff of the library are looking forward to a busy and exciting Fiscal 1997, and wish to thank our volunteers and other community members for their continued support.

Annual Report to Towns

Ashuelot Local River Advisory Committee

ACTIVITY DURING 1996

The Ashuelot River from May Pond in Washington to its confluence with the Connecticut River in Hinsdale was enrolled in the NH Rivers Management and Protection Program by the Legislature in 1993. Enrollment was based on support of the program by towns through which the Ashuelot flows and on documentation of river corridor resources. The program established the Ashuelot Local River Advisory Committee (LAC) for the purpose of providing towns with recommendations for protecting or otherwise making the best use of those resources. The Ashuelot LAC undertakes this project with the philosophy that the river corridor is a unique and invaluable feature shared by residents and land owners throughout its reach - truly a public asset.

During 1996, the LAC completed draft chapters of the Plan for the river from Washington through Keene. The LAC intends to complete the draft Corridor management Plan during the Spring of 1997. The draft will be made available for public review and comment and LAC members will meet with local Conservation Commissions and Planning Boards to discuss and possibly revise the draft Plan.

The Plan will present findings and recommendations for land use planning and resource conservation in the Ashuelot Corridor. This includes protecting historic sites and natural areas, ensuring pollution prevention and responsible public access, and balancing river bank land owners' needs with protection of the public resource. Priority issues in LAC deliberations and meetings with experts are: protection of water quality, public education about best management practices for use of fertilizers and chemicals, and responsible public access.

The LAC looks forward to sharing its findings with the river community and discussing plans to protect our river with all interested parties. The LAC also hopes to become a resource for information and advice to municipal boards and private land owners in matters of River Corridor protection. The LAC is also allowed the opportunity to review and comment on permits for environmental permits within the Corridor, but without intervention authority.

The LAC also received a Partnership Grant from the Connecticut River Joint Commissions in 1996 to publish pamphlets about the Corridor in addition to the Corridor Plan.

The Ashuelot LAC meets monthly at the Southwest Region Planning Commission. For further information please contact me or Jeff Porter, SWRPC, at 357-0557. The LAC receives assistance from Southwest Region Planning Commission and the NH Dept. of Environmental Services Rivers Program.

Sincerely,

Roger H. Sweet, Chairman
Ashuelot River Local Advisory Committee
